

# HEO Blends Appreciates Your Support!

## We are blessed to welcome you into the HiKee Essential Oil (HEO) Blends Family!

Thank you for your trusting in HiKee Essential Oil Blends (HEO Blends), but more importantly, believing in your self-worth, treating your body better, & using the finest topical and aromatherapeutic essential oil blends known to mankind. We put our heart and soul into creating personalized, hand-crafted blends with each order to ensure that you & your loved ones receive only the finest quality of essential oils possible.

We believe in the power of pure essential oils and offer a variety of methods for you to apply them into your daily regimen. Get ready to feel the best you have ever felt. You now hold the key to higher living with HiKee!

### Here are a few Kee points you should know to know about your oil blends before you start:

- 🔑 We cultivate all oil blends with products that are 100% organic and feature non-GMO properties. This is our forever promise to you.
- 🔑 The more you use your oils, the better they will work overtime. With some oil blends, you will feel their active ingredients work instantly, while others work better over time with continuous daily use.
- 🔑 Review all essential oil pamphlets included with your order for more information on essential oil basics. You can also find additional ideas on other available oil blends recipes. The reflexology chart included offers helpful insight to oils usage for first-time users.
- 🔑 Do not be afraid to use your oil blends generously and apply them multiple times a day! You can also overlap oils for different uses as needed. Wait only 25-30 seconds per each layer to allow oils to absorb into your skin before applying another layer or even a different blend.
- 🔑 Friendly reminder to consult with a physician before using any essential oils or when starting any oil blend regimes. Recommended to ensure that you have no allergies towards constituents in the oils we use.

All oil blends are proprietary mixtures of HiKee Essential Oil Blends. Verified doTERRA Advocate since March 2020.
